About Light Dome Mini SE Softbox

Thank you for purchasing the amaran Light Dome Mini SE softbox. The Light Dome Mini SE is a Bowens Mount softbox that can be used with the amaran 150c, amaran 300c, amaran COB 60d/x S, amaran 100d/x S, amaran 200d/x S, LS C300d II, LS 600d, and LS 600 Pro series of photography lights. It is also compatible with other third party Bowens Mount and video lights.

IMPORTANT SAFETY INSTRUCTIONS

When using this modifier, the basic safety precautions should always be followed, including the following:

1. Read and understand all instructions before using.
2. Close supervision is necessary when any fixture is used by or near children. Do not leave the fixture unattended while in use.
3. Care must be taken as burns can occur from touching hot surfaces.
4. Care must be taken when touching, installing or disassembling the elastic support rod.
5. Let the fixture cool completely before storing.
6. To reduce the risk of injury, please install or disassemble the fixture properly.
7. The use of an accessory attachment not recommended by the manufacturer may increase the risk of fire, electric shock, or injury to any persons operating the fixture.
8. Please do not place the fixture near any liquids or other flammable objects.
9. Only use a dry microfiber cloth to clean the product.
10. This product is certified by RoHS. Please operate the product in full compliance with the operation standards. Please note that this warranty does not apply to repairs arising from malfunctions, although you may request such repairs on a chargeable basis.
11. The instructions and information in this manual are based on thorough, controlled company testing procedures. Further notice will not be given if the design or specifications change.

SAVE THESE INSTRUCTIONS

Warnings

Changes or modifications not explicitly approved by Aputure could void the user's authority to operate the equipment.
